SUPPORT ADOPTION UK

Adoption UK believes that the endlessly challenging and vitally important role of adoptive parent requires all the help it can get. Our aim is to educate, support and empower our members to reparent and therapeutically parent their children. We provide helplines, contact networks, Buddy Schemes, training courses, publications and an online community. We even advise the Government on adoption support policy. You can help ensure that these services, used by almost 5,000 families, can continue and improve.

If you are a UK Taxpayer, don't forget to tick the Gift Aid box. This will allow us to reclaim the tax on your donation, so for every £1 you give, the charity will receive an extra 28p.
