

Adoption UK is delighted to invite you to:

“Equipped and Empowered” - Therapeutic services in practice

This event will provide an opportunity to hear about a range of therapeutic services currently available and how they are impacting on children and their families. Come and hear from the experiences of therapists and families who have benefited from some of these services and learn about a bespoke model of practice for adopted children in N.Ireland. This will provide the opportunity for you to increase your understanding of therapeutic services and the support available locally.
